

JONNY PETRO

DJ PRODUCER EDITOR CREATOR

BIOGRAPHY

Jonny Petro is a Las Vegas–based DJ known for delivering high-energy sets that fuse house music, dance remixes, and open-format crowd favorites designed specifically for nightlife environments. Also specializing in high-end private events, luxury hospitality experiences, and corporate entertainment.

Originally from Chicago, the birthplace of house music, Jonny began DJing at the age of 15, quickly becoming immersed in the city's vibrant nightclub culture. By 21, he held over ten nightclub residencies, building the foundation for a career defined by musical versatility and professional event execution.

After relocating to Florida in 2009, he launched his own entertainment company and expanded into the corporate, hospitality, and special events industry. Through innovative show concepts and elevated event production, he quickly became a trusted entertainment provider for upscale events and destination experiences.

Now based in Las Vegas, Jonny maintains a presence within the city's world-renowned entertainment scene holding residencies with Tao Group LV and Zouk Group LV while also performing for private clients, luxury brands, and premier venues nationwide.

Known for blending house, dance remixes, and open-format anthems, Jonny crafts sets that keep energy high while staying accessible to diverse crowds — making him equally effective at nightclubs, dayclubs, pool parties, and large nightlife venues.

Throughout his career he has shared stages with major artists including Zedd, Tiësto, Kaskade, Deadmau5, Alesso, Chris Lake, Cedric Gervais, Steve Aoki, Avicii, Illenium, DJ Snake, Galantis, Disclosure, Hot Since 82, Post Malone, Jack Harlow, Timbaland, Busta Rhymes, Usher, Stevie Wonder, Katy Perry, Maroon 5, and Journey.

With decades behind the decks and a deep understanding of modern nightlife crowds, Jonny Petro continues to bring high-impact performances to dance floors across Las Vegas and consistently delivers polished, memorable entertainment experiences for luxury events and world-class venues.
